Versatile. Simple. Sustainable.

---

## Lexmark CX963se

With the new CX963se color A3 multifunction printer, you get reassuring versatility, exceptional sustainability, and surprising simplicity from such sophisticated technology. Boost your productivity with vivid prints — up to 55 pages per minute\*. Intuitively navigate the 10-inch (25 cm) color touchscreen, and save time with single-pass two-sided scanning. Effortlessly create everything your business requires, and custom configure your multifunction printer with interchangeable options tailored to your needs.

### Versatile: Easy to Use

**Create everything your business requires and anything you can imagine** — from standard office documents to marketing brochures, booklets and posters — with broad media size support, high-volume printing, and exceptional paper handling and finishing capabilities.

**Print vivid, colorful visualizations, charts and documents** with professional color features (including PANTONE® calibration) and a full range of media sizes so you can effectively communicate your ideas.

**Easily incorporate your multifunction printer into your workspace** with a versatile, configurable design that saves space without sacrificing performance.

**Boost your productivity** with our rich suite of cutting-edge software and solutions with broad capabilities including scanning paper files directly into your cloud-based storage systems and automatically translating documents into 100+ languages.

**Further your organization's digital transformation** with direct integration into your critical workflows and core business systems using these IoT-enabled devices.

### Simple: Easy to Manage

**Quickly do what you need to do** using an intuitive operator panel and easy-to-follow navigation.

**Easily maintain your devices** with one-handed toner replacement, easy-to-reach serviceable areas, and alerts that are simple to understand.

**Enjoy the peace of mind of knowing you are protected** by the industry's most comprehensive security portfolio, right out of the box.

**Keep your business running** with exceptional reliability, industry-leading durability, and long-lasting toner and supplies.

**Rest easy that every aspect of your device is made to work together seamlessly** thanks to Lexmark's core technology ownership.

### Sustainable: Easy to feel good about

**Feel good about your purchase and help meet your own sustainability goals** with our world-class practices and independent third-party certifications.

**Do your part for the planet** with our industry-leading use of post-consumer recycled materials and our award-winning cartridge recycling program.

**Save energy — and money** — with technology that exceeds strict global standards for energy efficiency.

**Minimize your impact on the environment** with a company that focuses on sustainability throughout the product lifecycle from design through use, end of life and beyond.

This is a Class A device according to international electromagnetic emissions standards (i.e. FCC Rules, EN 55022/EN 55032, etc.). Class A products are intended for use in non-residential/non-domestic environments. Use of a Class A product in residential/domestic environments may cause interference to radio communications and require corrective measures.

\* Print speeds measured in accordance with ISO/IEC 24734 (ESAT). For more information see: [www.lexmark.com/ISOspeeds](http://www.lexmark.com/ISOspeeds).

\*\* Fax icon shown on the operator panel when Fax Server is enabled, Fax Over IP is configured, etherFAX is configured, or an optional Analog Modem is installed.

All information is subject to change without notice. Lexmark is not liable for any errors or omissions.

<sup>1</sup> Print and copy speeds measured in accordance with ISO/IEC 24734 and ISO/IEC 24735 respectively (ESAT). For more information see: [www.lexmark.com/ISOspeeds](http://www.lexmark.com/ISOspeeds).

<sup>2</sup> "Recommended Monthly Page Volume" is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage. <sup>3</sup> "Maximum Monthly Duty Cycle" is defined as the maximum number of pages a device could deliver in a month using a multishift operation. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs. <sup>4</sup> Product functions only with replacement cartridges designed for use in a specific geographical region. See [www.lexmark.com/regions](http://www.lexmark.com/regions) for more details. <sup>5</sup> Average continuous black or continuous composite CMY declared cartridge yield up to this number of standard pages in accordance with ISO/IEC 19798.

This is a Class A device according to international electromagnetic emissions standards (i.e. FCC Rules, EN 55022/EN 55032, etc.). Class A products are intended for use in non-residential/non-domestic environments. Use of a Class A product in residential/domestic environments may cause interference to radio communications and require corrective measures.
