Lexmark™

Lexmark CX931dse

Space-saving design and large-format flexibility

Lexmark CX931dse

The Lexmark CX931dse large-format color multifunction is designed for security, usability and reliability for large workgroups at speeds up to 35 pages per minute*. Smaller and lighter than equivalent predecessor models, it fits better into tight spaces, while still providing the media input and finishing options you need.

Productivity in a smaller box

▸ 25% smaller and 40% lighter than its predecessors, the CX931dse comes standard with many features to keep your business at maximum productivity.

▸ It includes workflow solutions like Scan Center for simple document routing, Optical Character Recognition (OCR), and the Intelligent Storage Drive (ISD) for solid state storage with activation-ready preloaded add-on solutions.

▸ A large, button-free touchscreen helps users intuitively complete every task, from the basic to the complex.

Flexible input and output

▸ Print and scan paper sizes up to A3 (11.75 x 16.5 inches, 297 x 420 mm).

▸ Standard input capacity is 620 pages; optional additional trays expand paper input capacity up to 5,140 pages.

▸ Finishing options include a staple finisher and a staple hole punch finisher.

Enhance professional image with brilliant color for large-format printing

▸ Enjoy vibrant color with standard advanced features like PANTONE® calibration and Lexmark Named Color

Replacement for consistent branding and professional appearance.

▸ Replacement cartridges yield up to 28,000/16,500 black/color pages**.

Secure by design

▸ Lexmark security features help keep your information safe—in the document, on the device, over the network and at all points in between.

▸ Always improving security, we now include a standard Trusted Platform Module***, which delivers authentication, system integrity checks, and cryptographic capabilities to create a unique digital system fingerprint.

Always focused on sustainability

▸ CX931dse is designed for the circular economy.

▸ Automatic two-sided printing is standard, along with built-in energy-saving modes that help support ratings of EPEAT® Silver and ENERGY STAR® certified.

▸ The award-winning Lexmark Cartridge Collection Program (LCCP) and Lexmark Equipment Collection Program (LECP) minimize waste and support recycling (availability varies by country).

Power up with IoT

▸ Our sophisticated, IoT-enabled printers are loaded with sensors that continuously monitor hundreds of data points.

▸ When you connect your device to Lexmark Cloud Services, you can optimize performance and uptime with additional features like predictive service and automatic supplies replenishment.

2.3 x 11.9 x 19.1 in.

■ Standard

■ Optional

You can install one of the following: the Dual Catch Bin or the Inline Staple Finisher or the Staple Hole Punch Finisher.
To install the Staple Hole Punch Finisher, you must also install the 520-Sheet Tray with Caster Cabinet, the 3x520-Sheet Tray with Casters, or the 2,520-Sheet Tandem Tray with Casters.
To install the 2,000-Sheet Tray (sidecar), you must also install the 3x520-Sheet Tray with Casters or the 2,520-Sheet Tandem Tray with Casters. It will not work with the 520-Sheet Tray with Caster Cabinet.
To install the Envelope Tray, you must remove Tray 1 and replace it with the Envelope Tray.

Product Specifications	Lexmark CX931dse
Printing

[1] Print and copy speeds measured in accordance with ISO/IEC 24734 and ISO/IEC 24735 respectively (ESAT). For more information see: www.lexmark.com/ISOspeeds. [2] "Recommended Monthly Page Volume" is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage. [3] "Maximum Monthly Duty Cycle" is defined as the maximum number of pages a device could deliver in a month using a multishift operation. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs. [4] Product functions only with replacement cartridges designed for use in a specific geographical region. See www.lexmark.com/regions for more details. [5] Average continuous black or continuous composite CMY declared cartridge yield up to this number of standard pages in accordance with ISO/IEC 19798.
