

Lexmark: Our People, Partners and Customers

About Us

Lexmark is a privately held technology company headquartered in Lexington, KY, with offices across the globe and manufacturing facilities in Boulder, CO and Juarez, Mexico.

Working at Lexmark

Lexmark is committed to promoting a diverse and inclusive business culture where employees can reach their full potential.

Lexmark was named a Top 10 Military Friendly® Employer for 2023, marking the eighth consecutive year Lexmark has been awarded the designation for its commitment to veteran employees and employees in active service. In 2020, Lexmark was honored at the Kentucky State Capitol by Governor Andy Beshear, on behalf of Former Secretary of Defense Mark Esper, who named Lexmark one of 15 recipients of the 2020 Secretary of Defense Employer Support Freedom Award, the highest recognition given to employers for supporting employees who serve in the National Guard and Reserve. We are also rated among the top companies in the U.S. empowering women and promoting human rights.

Lexmark in the Community

Every year, Lexmark offers its 2,000 U.S. employees three paid days to volunteer in their communities. In 2021, our team raised over \$800,000 for community, volunteer, diversity and education programs in the U.S.

Lexmark is also an important job creator and community partner in greater Lexington. In April 2022, Governor Beshear and Lt. Gov. Jacqueline Coleman congratulated Lexmark on a \$4 million investment in sustainable energy at our Lexington headquarters.

Lexmark has long participated in partnerships focused on STEM education, reforestation, educational infrastructure improvement and watershed protection. **Learn more about our community engagement and partnerships [here](#).**

Partnership with Government Customers

Lexmark is a vendor in good standing with the U.S. government—and has been for more than 25 years.

Lexmark is proud to provide the highest quality of service to our local, state and federal government partners and we have received glowing testimonials for our work with the [U.S. Army Training and Doctrine Command](#), [Montgomery County \(PA\) Domestic Relations Section](#), and the [North Carolina Department of Transportation](#).

"The service we have received is outstanding, and from a product and solution standpoint, Lexmark is rock solid." [Clayton County Public Schools](#)
